Russian and Arabic translation provided

The KIX (Knowledge and Innovation Exchange) project supports the sharing of knowledge, innovation and best practices across countries in order to strengthen education systems.

Please join us for the launch of the KIX hub for the Europe – Asia – Pacific (EAP) region held on May 27, 11.00 Geneva time / CEST!

We will inform about the next few KIX activities in the region and provide a platform for you to share your thematic priorities and suggestions for KIX.
