EDUCATION RISKS AND NEEDS

Northern Ethiopia (Tigray) and the refugee influx into Sudan

*Country spotlight call to enhance the visibility of
critical education in emergencies issues and needs*

Tuesday 1 June 2021
2pm - 3.30pm Geneva

More than one million people have been internally displaced in Tigray, while another 63,000 have fled to Sudan. Speakers will include field-based colleagues in Ethiopia and Sudan who will present on the current situation and highlight education needs and the response. Presentations will also address existing gaps, cross-sectoral collaboration and key advocacy messages.
