

KIX EMAP Podcast – Episode #29: Special CIES 2026 Rewind: What We Got Wrong, Right, and Inspiration for the Future

Speaker Biographical Note

Santoso Hadisucipto

Director

Article 33 Indonesia

Indonesia

Santoso is an experienced education policy expert with over 20 years of work across public and private sectors. As Director of Article 33 Indonesia, he leads impactful initiatives in education, regional development, and governance. His work focuses on education finance, system reform, and evidence-based policy advocacy, collaborating closely with government institutions, development partners, and civil society organisations. With a strong background in research and implementation—from the World Bank to MoECRT—Santoso is recognised for his analytical clarity, strategic thinking, and commitment to improving education systems through data-driven solutions.
